City of San José planners would like to invite you to attend one of several community meetings on the proposed zoning and annexation of unincorporated County areas (shaded on the attached maps). This will involve establishing City zoning districts for these areas and changing jurisdiction from the County of Santa Clara to the City of San José.

The meetings will consist of a short presentation on the County Island Annexation Program and an overview of the changes you can anticipate upon annexation of these areas.

City staff will be available to answer questions you might have regarding the zoning and annexation process, explain the potential changes in services and regulations, and receive any feedback you have on the proposed actions.

If you have tenants or renters on your property, please notify them of these meetings.

To request an accommodation or alternative format for City-sponsored meetings, events or printed materials, please call 408-535-7871 or 408-535-7835 (TTY) as soon as possible, but at least three business days before the meeting/event.
